Lifting Gear UK Limited is a rapidly expanding and successful business looking for people who'll help us shape our future and fulfil their own ambitions. We take pleasure in providing great rewards for people who drive our success and value people's skills, experience and qualifications.

Lifting Gear UK Limited specialises in the supply of equipment for various different applications relating to Lifting & Handling. Our service that we offer includes the hire, sale, repair, inspection, testing and design & fabrication of most types of lifting related equipment on a regional, national & international level.

A new and exciting opportunity has arisen for a Sales Representative based in the North West of England. Due to continued success, we are looking to expand our sales team and will be seeking a vibrant and self-motivated Sales Representative.

The Role

As a Regional Sales Representative, your main responsibilities will be generating new business and prospects. You will also have responsibility for maintaining existing accounts and building strong business relationships. Our client and prospects will be within a number of sectors including Cranes and Material Handling, Heavy Engineering, Rail, Utilities, and Construction.

The Candidate

The successful candidate will be a vibrant and self-motivated individual who can work on his or her own initiative and a determination to meet sales budgets. Sales experience is essential along with a drive to succeed. A background in Lifting and/or height safety or related industry is desirable combined with all facets including, equipment sales, hire and manufacturing.

You will need a strong work ethic, resilience, tenacity and a positive attitude. You will also have strong interpersonal skills and have good relationship building skills/be a team player

About us

Lifting Gear UK started in 2007 and is a rapidly expanding and successful business specialising in the supply of equipment for various different applications relating to Lifting & Handling. Our service that we offer includes the Hire, Sale, Repair, Inspection, Testing and Design & Fabrication of most types of lifting related equipment on a regional, national & international level. The company operates from 10 strategically placed branches and employs around 100 full time staff between its sites. Here at Lifting Gear UK it is our aim to provide professional and efficient service to all customers from enquiry to job completion every time.
