

Pulling and Lifting Hoist, TIRFOR® TU

Product information

Portable hoist to lift and pull loads, for utilisation in numerous configurations with long cable lengths.

- Low weight - quick installation
- No limitation in terms of cable length
- Manageable, light-weight, robust, powerful
- Increase load capacity with deflection sheaves
- Overload protection
- Precise load placement within millimetres

Marking: According to standard, Serial number and CE-marking.

Standard: EN 13157

Safety factor: 5:1
