

Roller Pinch Bar RPR

Product information

Steerman's roller pinch bar is an ideal companion to the professional load mover. Its compact and lightweight design makes it simple and very easy to use and transport. With its low toe plate height, it is able to get into the tightest gaps.

Part code	Code	Capacity kg	Dimensions mm	Weight kg	Delivery time
9005RPB15	RPB15	1,500	(L)2150 x (W)400	17	2
9005RPB50	RPB50	5,000	(L)2150 x (W)400	21	2
