Adjustable Fork Mounted Hook

Product information

The Adjustable Fork Mounted Hook provides a quick and economical method of the lifting and positioning of unpalletised loads. Multiple lifting positions can be achieved by the correct positioning of the attachment along the fork blade. This compact unit has been designed for when space is at a premium storage, transportation and the actual fit.

Standard Features

- Completely adjustable along the fork blade (except taper)
- Supplied complete with single swivel hook and bow shackle
- Maximum fork section 100 x 45 mm at 220 mm centres
- Zinc plated twist screws for safe attachment to truck
- Painted bright orange for safety
