

## Crane Access Platform - Auto Gate (500kg)

### Product information

With the option of both Crane Slung or Fork Mounting as standard, this Access Platform delivers multiple usage from a single attachment, which encompasses many characteristics of the IAP range. More commonly used in a construction environment via an overhead crane.

#### Standard Features

- Automatic locking and unlocking gate
- Low level, rear and overhead mesh protection
- Safety harness attachment rings
- Zinc plated heel pins for safe attachment to truck
- Maximum fork section 150 x 50 mm at 525 centres
- Painted bright orange for safety

#### Optional Features

- Safety Harness

**Note:** 4 leg chains for crane slung option not included
