

## Wheelie Bin Lifter - 240 Litre

---

### Product information

Wheelie Bin Lifter - 240 Litre The Fork Mounted Wheelie Bin Lifter is designed to safely lift, move and empty 90-240 Litre Wheelie Bins. With this type of waste management becoming more and more popular by the day, this attachment can offer a solution to the associated logistical and time-keeping constraints. The winch is also equipped with a fail safe return mechanical stop to prevent the bin from swinging back once the handle is released.

#### Standard Features

- Winch complete with mounting bracket and 3mm diameter lifting wire
- Fixed rotating pulley wheel
- Zinc plated heel pins for safe attachment to truck
- Painted bright orange for safety

#### Optional Features

- Support stand complete with castors (2 swivel & 2 braked)
