Stand For High lifting Jib

Product information

When a greater lift height is required or a lift over a static obstruction the High Lifting Jib is the perfect solution, with the same attributes as the carriage mounted jib.

Standard Features

- Multi hook positioning from 1000-1750 load centres
- Supplied complete with Swivel hook and bow shackle
- Quick release bottom hangers supplied as standard
- Lifting eye at centre of gravity for ease of movement and mounting on to forklift
