

Pump Chain CPK Stainless

Product information

Versatile Heavy-Duty Solutions

Stainless Steel pump chains enable safe placing of pumps and aeration devices. Accompanied with WLL-tag and certificate. In addition to our standard sizes, we offer customized solutions.

- Two-leg system for pumps with 2 lifting points
- Selection of end-fittings such as eye hooks, joining links, or shackles
- Custom segment lengths by request

Material: AISI 316 / AISI 318LN

Marking: CE-marked

Temperature range: -40°C up to 250°C

Finish: Blasted

Safety factor: 4:1

Grade: 6

Part code	Chain diameter mm	WLL ton	Masterlink	Connecting link*	Delivery time
2206	3	0.2	5 x 42 x 22	-	2
2206	4	0.4	8 x 54 x 30	5 x 22 x 9	2
2206	5	0.63	10 x 80 x 50	6 x 26 x 13	2
2206	6	0.9	13 x 110 x 60	8 x 35 x 19	2
2206	7	1.25	13 x 110 x 60	8 x 35 x 19	2
2206	8	1.55	13 x 110 x 60	10 x 44 x 25	2
2206	9	2	16 x 110 x 60	10 x 44 x 25	2
2206	10	2.45	16 x 110 x 60	13 x 54 x 25	2
2206	13	3.85	22 x 160 x 90	16 x 70 x 34	2
2206	16	6	22 x 160 x 90	18 x 85 x 40	2
2206	18	8	26 x 180 x 100	22 x 115 x 50	2
