

Essential Safety Information

The information in this leaflet must be passed to the User of the equipment,
who must be suitably trained in the use of this equipment

Safe use of site bogey SWL 20t

Do's and Don't's

- Do ensure that all loads are securely attached to the bogey using the anchor points and shackles provided
- Do ensure to lift the bogey using the four anchor points on the front and the back of the bogey.
- Do ensure to apply the handbrake when the bogey is not in use.
- Do ensure to release the handbrake once the bogey has been hooked up to.
- Do ensure to load the bogey evenly
- Do not exceed stated SWL
- Do not turn too sharply
